SMALL GROUPS

Lenten small groups will meet weekly for 6 weeks beginning the week of March 5, in homes or at GPC, in the evening or during the day, for fellowship, study, and prayer. (A popular time has been on Wednesday at church, after the FourthNight dinner.)

The topic for study and discussion is "The Trinity." Each group will have a facilitator and will use a study guide developed at GPC specifically for this program. The sessions will focus on: 1) What is Lent? 2) God the Father, 3) God the Son, 4) God the Holy Spirit, 5) the relational nature of the triune God, and 6) our relationship with the triune God.

Last year, more than 150 people signed up for the Lenten small groups! The groups provide a wonderful opportunity to enjoy fellowship and discussion, to grow in faith together over the Lenten season, and to deepen our relationships with God and with brothers and sisters in Christ.
