

# Community Engagement Volunteer Opportunities

October 2016

GPC's Community Engagement team is an active outreach group that impacts many people on local, regional, and global levels. Exciting projects are happening all the time – join us as we reach out in God's love!

## Currently we need the following:

- ❖ **Giving Tree coordinator(s):** During the month of December, volunteers take tags off our Narthex Christmas tree and return the gift stated on the label. Various local charities are supported.
- ❖ **Neighborhood Ministries coordinator(s):** These individuals will oversee projects such as the Giving Tree, Women's Shelter Meals, Summit Hall Elementary School, and other local ministries. They will NOT personally run the projects!
- ❖ **Regional and Global Ministries coordinator(s):** These individuals will liaison with GPC and our supported missionaries out in the field, providing a channel of communication between them and GPC members.
- ❖ **Guest Ministries coordinator(s):** Provide support to those leading the Welcome Desk, Muffin Ministry, and other outreach to potential new members of GPC.
- ❖ **Gaithersburg HELP liaison:** Provide communication and support for this food pantry; attend board meetings and support our Feeding of the 5000 food drive.
- ❖ **One Hour of Service coordinator(s):** This March 2017 project will encourage our members to take their love for God and His people out into their communities for an hour of outreach, volunteering, sharing, listening, helping, etc., according to their vision. Help us to create a great new project and maybe a GPC tradition!
